Corporate finance and capital markets expert proficient in asset pricing, macro-financial modeling, and cross-asset strategy. Combines macro fundamental, quantitative research, price, technical, and volatility data analytics to manage multi-asset portfolios

Experience

Portfolio Manager, Bulltick

Miami FL, US - 2025

- **Portfolio management:** managing **\$500M** in fixed-income and equity for UHNWI and institutional clients within the Public Markets Portfolios division, and serving as Investment Strategist for institutional clients within the Sales & Trading division
- **Portfolio strategies:** developing multi-factor models using both a quantitative approach through optimization with a [custom machine learning](#) model adding a [sentiment](#) component, and a more traditional approach to drive cross-asset allocation
- **Trade generation:** directional options strategies, delta hedging, and volatility-driven positioning to dynamically adjust exposures and exploit short-term dislocations, balancing long-term stability and short-term alpha through a core-tactical structure

Investment Manager, GMA International Services, Inc.

Fort Lauderdale FL, US - 2024/25

- **M&A valuation:** DCF, comparable company, and precedent transaction analyses for **20+** buy-side targets, driving a **400%** increase in strategic M&A recommendations. Reduced **40%** of costs by transitioning valuation from outsourced to in-house
- **Equity research:** market-driven investment insights and valuation analysis through fundamental and quantitative modeling
- **Portfolio management:** GDP lag correlations from macro fundamentals, asset return distributions, and implied volatility to drive alpha through cross-sector spread trades and beta hedging, optimizing a **\$4M** AUM fixed-income and equity portfolio
- **Real estate:** managed **\$2M** in income producing residential properties in Italy for [La Promessa](#)

External Associate, Intellico

Milan, IT - 2021/24

- **AI consulting:** AI-enabled solutions for decision-making in finance and insurance, industrial goods, utilities, and consumer products. Identified material drivers with LASSO and classical regressions to optimize ESG investment. Article: [AI and ESG](#)
- **Research-driven applications in financial markets:** implemented research-driven insights for Italian companies - [Paper](#)

Researcher, European Regional Development Fund [NOPRI](#)

EU & Italy - 2021/24

- **Quantitative modeling:** advanced modeling using panel data econometrics and machine learning. [Paper](#)

Graduate Student Supervisor, Politecnico di Milano

Milan, IT - 2021/24

- **Mentorship:** provided continuous feedback to support high-quality research that led to **5** publications for over **30** students

AMBassadors for sustainable transITION, [AMBITION](#)

Kenya & The Netherlands - 2023/24

- **Team building:** managing sustainable finance transition in schools and private companies across Europe and Africa

Management Consultant, SVS Marketing

Toronto, CA - 2017/18

- **Strategic client acquisition:** optimized client acquisition costs and ROI maximization for 10+ marketing initiatives

Sales Manager, David Youngson and Associates

Toronto, CA - 2016/17

- **Team management:** managed a team of 7 people at sales events, with a sales record for the 2017 trade show

Trading Desk Analyst, [IMI Corporate & Investment Banking](#) - Be Shaping the Future

Milan, IT - 2015/16

- **Investment banking:** incorporated GDP correlations (lag effects) with asset prices, and conducted industry, sector, and stock analysis through fundamental, technical, and price action perspectives to assess investment opportunities
- **Equity research:** financial modeling, valuation analysis, and industry research for detailed reports. Engaged with institutional clients, and collaborated with sales and trading teams to deliver market insights and investment recommendations

Education

Ph.D., Finance, *Politecnico di Milano School of Management*

Milan, IT - 2024

- **Awards:** Recipient of the EU grant *National Operational Programme on Research and Innovation*
